

February 7th 2020

Dear Hearing Officer:

On behalf of the New York City Department of Education, we are excited to issue an updated compensation policy effective February 10, 2020. This policy incorporates feedback we received from you in focus groups and through online surveys. We have truly appreciated your partnership and patience as we continue to work to make key improvements to the impartial hearing process. Thank you for your hard work in serving the families and students of New York City who are exercising their due process rights.

The New Hearing Officer Compensation Policy will go into effect on **Monday, February 10, 2020**. Please note that this policy will apply to all **items compensable under the new Compensation Policy that are provided on February 10, 2020 and after**. Please read the compensation policy carefully. We highlight below the key changes in the policy:

1. The administrative fee will increase from \$100 to \$200 per case.
2. Travel and lodging will be reimbursed for hearing officers within the following guidelines –
 - a. (Tier One) For hearing officers who live within New York City [NYC] or within seventy five (75) miles of Columbus Circle in NYC, you may bill a one-time \$100 transportation fee per case on every case in which you hold at least one hearing type activity that was not telephonic (hearing officer must be onsite at a NYCDOE location with a court reporter).
 - b. (Tier Two) For hearing officers who live further than seventy five (75) miles from Columbus Circle in NYC you may bill, in addition to the \$100 transportation fee, an additional \$58 per mile (for each mile beyond 75 miles) to their homes, to provide compensation for hearing days on which you hold at least one hearing that was not telephonic (hearing officer must be onsite at a DOE location with a court reporter). For hearings officers residing beyond 325 miles of Columbus Circle, compensation for “Tier Two” travel requires preapproval from the NYCIHO.
 - c. Lodging may only be billed by hearing officers who
 - i. reside beyond 75 miles of Columbus Circle,
 - ii. accept appointment to and maintain a minimum of ten (10) cases, and
 - iii. for one night of lodging, hold hearing(s) on two consecutive days for a total scheduled duration of at least 5 hours each day.

The per diem rate for lodging cannot exceed the United States General Services Administration (GSA) per diem rates for NYC. Please note that this does not include taxes and fees (see compensation policy for more information). Lodging reimbursement and out of area travel is not to be billed on case invoices but on the separate lodging invoice form. Dated lodging receipts must be included with the separate invoice form. NYSED & NYCDOE will jointly reexamine the efficacy of the travel policy in 6 months from the effective date of this

policy. We will also analyze the effects of proposed regulatory changes such as videoconferencing when revisiting the travel policy.

*For GSA rates please consult –

www.gsa.gov/travel/plan-book/per-diem-rates/per-diem-rates-lookup

3. Final Decisions (findings of fact and decision and statement of agreement and order) can now be invoiced consistent with their level of complexity. The rate will be \$100 per hour with a maximum rate of compensation for each category below:
 - a. Simple decisions – **\$300**
 - b. Medium decisions – **\$700**, and
 - c. Complex decisions – **\$1000**.

The complexity of the of a case will be determined using the following rubric:

Complexity	No. of Transcript Pages (based on standard font)
Simple	0 – 100
Medium	101 – 349
Complex	350+

In extenuating circumstances, hearing officers may request extra decision writing time paid upon written request and written approval by NYCIHO. The request must include a justification. The justification factors may include time spent on writing and conducting research, number and complexity of issues, length of hearing record, number and length of hearings, number and length of exhibits, and number and length of other orders submitted in the case.

*Due to the severity of the current backlog and its impact on the due process system, NYCDOE is offering an additional incentive of 10% of the amount invoiced for writing final decisions (**D1, D2, D3, DX** only) for decisions rendered within 60 days of the effective date of the updated Compensation Policy. Please note that because this invoice item is of a temporary nature it is not in the compensation policy. This item must be invoiced as **[ECI]**. To appropriately invoice for **[ECI]** hearing officers should calculate ten percent (10%) of the invoiced amount for writing the final decisions (**D1, D2, D3, DX** only) for decisions issued within sixty (60) days (by April 10, 2020) of the issuance of the updated Compensation Policy. For example, for a final decision invoiced as D3, 9 hours, \$900, the **[ECI]** would be \$90. The completion incentive does not apply to the total amount of the invoice for a case.

4. With the implementation of this policy, impartial hearings officers are responsible for redacting the personally identifiable information in their decisions. Thus, pursuant to this policy, redactions

of final decisions can be invoiced at a rate of **\$100** per case only in cases in which a final decision or a statement of agreement and order was issued.

5. With the implementation of this policy, impartial hearing officers are responsible for mailing decisions to parties. Mailing can be invoiced at first class rates upon submission of receipts.
6. With the implementation of this policy, impartial hearing officers are expected to submit all documents electronically, including but not limited to administrative forms, hearing scheduling forms, hearing results forms, decision cover sheets, extensions, orders, decisions, and invoices. The New York City Department of Education has made significant investments in digital tools that will automate administrative processes. Once these tools come online they will replace the current forms.

Hearing officers will be required to sign an attestation for each invoice affirming the veracity of the contents of each invoice.

I, [INSERT NAME], an attorney certified by the Commissioner of Education for the State of New York as an impartial hearing officer eligible to conduct hearings pursuant to Education Law section 4404(1), affirms the above statements are true under penalty of perjury. I submit this form as an invoice for proof of services rendered as impartial hearing officer for the above referenced case. I make this affirmation based upon my personal knowledge, information, and belief, the sources being my personal observations, official hearing record, the file maintained by my office, and the prior proceedings to date.

IV. SERVICES RENDERED

A. Administrative Fee:

Hearing officers are eligible to bill for an administrative fee **[AF]** on a case subject to the limitations below:

There is no **AF** for any case in which a hearing officer is:

- recused from a case for any reason other than a conflict of interest that is discovered for the first time at the Impartial Hearing; or
- recused from a case before holding a hearing or submitting an order; or
- appointed in error (i.e., invalid case, keystroke/data entry error), provided the appointment was revoked within four (4) business days

AF is intended to cover the administrative costs of the case, including but not limited to the costs of scheduling hearings, and transmitting the record and other documents to the NYCIO.

For cases that are bifurcated (e.g., expedited and related non-expedited case) hearing officers must manage and bill for these cases separately and submit separate invoices for each case. As a reminder, in bifurcated cases the non-expedited case has a six **(6)** digit case number and the expedited case has a “**9**” prefixed to the same six **(6)** digit case number. PLEASE NOTE: Any hearings held for both cases may only be billed once. Note: These hearings are to be invoiced under the expedited ‘9’ case only.

Hearing officers are directed to invoice **AF** in the following manner:

CODE	NATURE OF SERVICES RENDERED	FEE
AF	Administrative Fee	\$200

B. Facilitating Pre-Hearing & Status Conferences:

Hearing officers are compensated, in the amount of \$50, for conducting a pre-hearing conference **[PC]** or status conference **[SC]** in a case. No hearing officer shall bill the DOE for more than one (1) **PC** per case unless the case has been amended. For cases in which a proposed amendment has been granted by the hearing officer and/or consented to by the non-filer, and the applicable timelines recommence, the hearing officer may bill the DOE for an additional pre-hearing conference per approved amendment and use the code **PCA**.

A hearing officer shall not be paid for any **PCA** if the applicable timelines do not recommence pursuant to the filing of an amended due process complaint. Therefore, payments for amended pre-hearing conferences held shall never exceed the number of amendments granted by the hearing officer or consented to by the non-filer.

Hearing officers may bill for all status conferences **[SC]** held throughout the duration of an impartial hearing. In order to be paid for holding a status conference, it must be held on the record and transcribed. It is highly recommended that they be held off-site by telephone.

An "Appearance Fee" **[PCX]** or **[SCX]**, in the amount of **\$50**, for appearing at a pre-hearing conference or status conference that does not proceed and results in a same-day cancellation (or after 5 p.m. previous day) can only be billed if one of the following errors is committed by the NYCIHO or the DOE:

- Failure of NYCIHO staff to enter hearing scheduling data, accompanied with proof of submission of said data to NYCIHO (emailed scheduling request to NYCIHO scheduling inbox)
- Incorrect data entered by NYCIHO staff resulting in hearing officer appearing for an unscheduled hearing, or
- Unforeseen technical error in I.H.S. causing the notification of scheduled hearings not to be generated and transmitted to the parties
- Failure of a court reporter to appear within one hour of the scheduled hearing time
- The NYCDOE representative is more than one (1) hour late to a scheduled matter and the matter is rescheduled for another day
- The NYCDOE representative fails to appear despite the Impartial Hearing Office providing written notification to the parties of a scheduled matter not less than (3) business days prior to the scheduled matter

Hearing officers are directed to invoice for **PC, PCA, PCX, SC and SCX** in the following manner:

CODE	NATURE OF SERVICES RENDERED/DESCRIPTION	FEE
PC	Pre-Hearing Conference	\$50
PCA	Pre-Hearing Conference - Amended Request	\$50
PCX	Pre-Hearing Conference same day cancellation for one of the enumerated reasons	\$50
SC	Status Conference	\$50
SCX	Status Conference same day cancellation for one of the enumerated reasons	\$50

C. Conducting Pendency & Impartial Hearings:

Hearing officers are compensated for conducting pendency hearings and impartial hearings in a case; in some cases, a hearing officer may need to hold a hearing to resolve a dispute over a subpoena request. Compensation is determined by the length of the hearing. The length of the hearing is determined by when the hearing officially started and ended. PLEASE NOTE: Any breaks in the hearing record taken for any reason other than hearing related activity are not compensable and will not be used to determine the length of the hearing. Shorter, off the record periods will be included in the length of the hearing. Pendency hearings lasting less than 30 minutes (PHS) will be paid at \$50. Hearings lasting up to 60 minutes will be paid at \$100. After the first 60 minutes, payment will be pro-rated in ¼ hour increments (\$25), rounded up to the next full 15 minutes (**PHD/HD**) (i.e., case from 9:00 a.m. to 10:05 a.m. is billable to the DOE as 1 and ¼ hours long).

PLEASE NOTE: If a hearing is scheduled for multiple cases for the same student at the same time, the hearing date/time is only billable for one of the cases, not all. Hearing officers should bill for the hearing under the earliest filed case.

Hearing officers are directed to invoice for **PHS**, **PHD**, and **HD** in the following manner:

CODE	NATURE OF SERVICES RENDERED	FEE
PHS	Pendency Hearing lasting less than 30 minutes	\$50
PHD	Pendency Hearing (*pro-rated in 15 minute increments after 1 st hour, minimum \$100)	\$100/hour*
HD	Full Hearings (*pro-rated in 15 minute increments after 1 st hour, minimum \$100)	\$100/hour*

D. Reviewing Record – Cases in Progress

Hearing officers are eligible for a record review fee **[RR]** upon appointment to a case that was already in progress and previously assigned to another hearing officer (i.e., hearing officer recused or was rescinded).

A hearing officer appointed after a recusal or rescission may bill a record review fee **[RR]** if a pendency or full hearing was held prior to hearing officer's appointment. A hearing officer may bill a record review fee at rate of \$60 an hour for up to a maximum of 3 hours. Hearing officers may not bill a record review fee if they do not maintain this case through completion.

Upon written request with justification by impartial hearing officer and approval by NYCISO, hearing officer may invoice for additional record review time (over three hours). Extra record review **[RRX]** compensation may vary.

Only one **RR** may be billed per case by an individual hearing officer.

Hearing officers are directed to invoice **RRs** and **RRXs** in the following manner:

CODE	NATURE OF SERVICES RENDERED	FEE
RR	Record Review (after recusal or rescission) – only billable if hearing officer maintains a case through completion. Only one RR may be billed per case by an individual hearing officer.	\$60 an hour up to a maximum of 3 hours
RRX	Additional record review (over \$180) upon hearing officer request with justification and subsequent approval by NYCISO.	will vary

E. Remanded Case Review

Hearing officers are eligible for a remand review fee **[RM]** upon appointment to a case that was remanded after an appeal. A hearing officer may bill a remand review fee at rate of \$60 an hour for up to 5 hours.

Remanded review fees are only billable if the hearing officer subsequently submits a final order.

Upon written request with justification by impartial hearing officer and approval by NYCIHO, hearing officer may invoice for additional remand review time (over the five hours). Extra record review **[RMX]** compensation may vary.

Hearing officers are directed to invoice **RMs** and **RMXs** in the following manner:

CODE	NATURE OF SERVICES RENDERED	FEE
RM	Remand Review – only billable if hearing officer subsequently issues a final order	\$60 an hour for up to a maximum of 5 hours
RMX	Additional remand review (over \$300) upon hearing officer request with justification and subsequent approval by NYCIHO.	will vary

F. Writing & Submitting Orders:

Hearing officers are compensated for issuing the following written decisions/orders:

- Statements of Agreement and Order **[DS]**, at a rate of **\$100** per order
- Pendency Order **[DP]**, at a rate of **\$150** per order
- Findings of Fact and Decision **[D1, D2 or D3]**

There is a three-tier system for compensation of final decisions based on the complexity of the case:

[D1] Simple Cases - \$100/hour up to a max of \$300 for cases with 0-100 transcript pages in record

[D2] Medium Cases - \$100/hour up to a max of \$700 for cases with 101-349 transcript pages in record

[D3] Complex Cases - \$100/hour up to a max of \$1000 for cases with 350+ transcript pages in record

Hearing officers are to note the number of transcript pages in the record and the number of hours they spent writing the decision on their invoices when they bill for Findings of Fact and Decision.

Hearing officers may submit to the Senior Director of Finance a request for extra decision writing time **[DX]** beyond the amount the hearing officer is entitled to based on transcript length. The request must include a justification. Justification factors may include time spent research and writing, number and complexity of issues, length of hearing record, number and length of exhibits. If the request is approved by NYCISO, hearing officer may then invoice for an additional fee.

- Redacted version of (1) Findings of Fact and Decision and (2) Final Statements of Agreement and Order at a rate of **\$100** per case
- Insufficiency Decision without Dismissing the Case **[ID]**, at a rate of **\$150** per order
- Insufficiency Decision Dismissing the Case **[ID]**, at a rate of **\$150** per case
- Order of Dismissal **[OD]**, at a rate of **\$150** per case
- Order of Termination **[OT]**, at a rate of **\$100** per case

- Order of Extension **[OE-30]**, at a rate **\$25** per extension for extensions granted for a minimum of 30 days. Extension requests are to be made using forms provided by NYCIHO and mailed to IHOExtensions@schools.nyc.gov. The DOE attendance sheet is the sole document needed for the DOE to process payment. B. Impartial Hearing Officer and Party Lateness:

When a hearing officer is running late, the hearing officer must contact the NYCISO and the parties will be made aware of any lateness. When parties are running late, while it is up to the hearing officer to determine the length of time to wait for the parties, the DOE requests that as a professional courtesy to the parties a hearing officer wait at least 1 hour before starting the hearing without both parties present.

VI. TRAVEL AND LODGING

The DOE will reimburse hearing officers for travel. Travel reimbursement will occur in one of two tiers, depending on where a hearing officer lives.

A Certificate of Tax Exemption can be furnished upon request to be provided to lodging secured pursuant to a hearing officer's duties under this section. Lodging reimbursement are not be billed on case invoices, but are to be billed monthly on a separate form. Dated lodging receipts must be included with the separate form.
